Brylien Gilbert's personal testimony:

I would like to thank Dr. Whitaker for finding out why I have been in pain in my right hip and lower back for a year and a half. Before he started treating me I was in a lot of pain. On a range from 1 to 10 my pain on most days was between 6 to 10, now my pain is down to a 3. I am feeling much better now that I came in for treatments 3 times a week and have been doing my exercises at home that I was taught. I am able to walk longer, ride in the car, and sit without a lot of pain. Without your help I would still be in a lot of pain. Thank you all very much for all you do for me!
